## **Loudoun County Economic Development Commission**

**WHEREAS**, the Loudoun County Board of Supervisors moved boldly to invest in economic development when adopting the FY09 budget; and

**WHEREAS**, the Economic Development Commission recognizes the competing demands the Board faced in a very challenging budget year; and

**WHEREAS**, the Board of Supervisors and the Economic Development Commission are united in the understanding that this investment is necessary to proactively increase the commercial tax base by adding business development positions; and

**WHEREAS**, the Economic Development Commission commends the Board's leadership in understanding that international and national marketing efforts will pay off when sustained over time; and

**WHEREAS**, the Economic Development Commission in concert with the Department of Economic Development will continue work on an industry cluster strategy, including hands on support for retaining and attracting businesses;

**NOW THEREFORE BE IT RESOLVED**, that: the Economic Development Commission applauds the Loudoun County Board of Supervisors for its steps in support of economic growth and development.
